Centrally located in a rural setting just minutes from Lafayette, Abbeville and New Iberia, L'Eglise is the perfect location for special events.

The classic design reflects its history as the former Mission of St. John of the Cross. After many years of neglect, it is now restored and may be rented for parties, weddings, receptions, family reunions or any special event.

Soft butter colored plaster walls, terra cotta tile floors and a soaring pine ceiling lend a European feel to the space. All lighting is controlled by dimmers to create special ambience.

Encompassing nearly 5000 square feet, the facility can accommodate receptions for up to 500 people. An additional 6000 square feet of courtyard is also included with every rental providing a beautiful garden setting to enhance your event.

A separate caterer's set up area is available to allow you to utilize the caterer of your choice or L'Eglise personnel can assist with all arrangements to design a memorable event. Such customization is a hallmark of the facility where each client is treated with individualized attention.

Weekend and weekday rates are available. To reserve this special place or for further information, please call 337.937.0700 or e-mail legliseinc@msn.com.
